

# Social Distancing Graphics

These floor graphics for social distancing helps to create personal space and an acceptable line spacing at service stations, grocery stores, convenience stores and temporary service areas. Raise awareness with these highly visible decals made of durable cast digital print media with anti-skid overlamine protection. Our removable floor graphics for social distancing feature a self-adhesive backing that can be used for indoor applications and can guarantee removal without leaving behind residue.

- Vivid color UV printing
- Anti-skid overlamine protection
- Withstands foot traffic
- Indoor use safe
- Self-adhesive backing
