

WE KNOW CONVENIENCE

WE'VE GOT THE EXPERIENCE

With 60 years servicing brand-driven Petroleum customers, we've learned what it takes to get the job done in this competitive industry. Convenience Stores with large or small footprints require exemplary branding and pristine imaging to maximize the customer experience.

Our expertise in manufacturing, installation, and turnkey project management is second to none. That's why respected Convenience Stores, including Sheetz, Wawa, Parker's, Maverick, Carrol Independent Fuel, and LUKOIL have entrusted us with their image needs. With over 5,000 Petroleum locations in North America per year, we're masters at this. Here's how our experience can help you:

- Dedicated team of Petroleum industry program and project managers focused on your success
- Patents on innovative products designed specifically for the Petroleum market
- Sign engineers with expertise in Petroleum site foundation design
- Installation teams trained on Petroleum industry safety standards
- Passing along best in the industry pricing on products used in our major oil programs
- Experience servicing a diverse Petroleum customer base of 20+ customers of all sizes

OUR PROCESS

ABOUT BLAIR

Don Devorris and Steve Pellegrine, two entrepreneurs from a small town in Pennsylvania, began making signs in 1959 to help grow their small electrical contractor business. For over 60 years, Blair has remained a family owned and operated business with a spirit of innovation and determination. Today, the company employs over 400 people with offices across the US, Asia and Mexico. We take great pride in producing high quality site image elements for some of the world's most respected brands. Our commitment to over-the-top service has earned us long-term relationships with our clients, many of whom have been with us for decades.
