## WE'VE GOT THE EXPERIENCE

Blair is a turnkey, full-service provider with a comprehensive and proven approach to site branding. From planning through installation, we'll manage it all. Our manufacturing team delivers outstanding quality for every project. Our mission is the same: On Time. On Budget. On Brand. Here's how we do it:

- Program Managers who ensure rigid adherence to brand standards, schedules, and budgets
- State-of-the-art factories with over 300,000 square feet of manufacturing space
- Customer Portal for real time reporting
- Long-term relationships with permit offices in all major cities across the USA
- Continuous education & training Improvement Program across all departments within our walls
- Production Part Approval Process modeled after automotive industry
- Among the highest standards in the industry for on-time shipping and installation
- Lean manufacturing, flexible scheduling, and efficient freight solutions to keep costs under control
- Network of installers covering every city in North America

## ABOUT BLAIR

For over 70 years, Blair has remained a family owned and operated business with a spirit of innovation and determination. Today, the company employs over 400 people with offices across the US, Asia and Mexico. We take great pride in producing high quality site image elements for some of the world's most respected brands. Our commitment to over-the-top service has earned us long-term relationships with our clients, many of whom have been with us for decades.
